### Rotarians and Rotary Friends:

May is **Youth Services Month**. We used the April District Conference to get a jump on celebrating our New Generations programs. Every club in the District is involved in one are all of the Rotary programs that empower young people. Whether it is through Interact, Rotaract, RYLA, Rotary Youth Exchange or a Rotary Community Corps, each club is developing leaders in our communities and clubs.

Speaking of the District Conference, did we have a great event? Yes we did! It was an awesome celebration of the "Gifts to the World" in District 5910. The Hall of Friendship highlighted those gifts and gave each attendee an opportunity to share and learn about the great results of "Service Above Self" right here in our own backyards. I did provide the promised video of "District 5910 Gifts to the World". You will find a link to the video on the District 5910 website. Just click on the link and enjoy the 100+ slides of your 2015-2016 projects.

We presented many awards at the District Conference. Congratulations to the clubs and Rotarians who were recognized. Your service and accomplishments are examples for all.

Council on Legislation held in Chicago in April. His brief slideshow review of the results is included in this issue. His slideshow hits on the major changes that impact all Rotarians. More in depth results will be shared at a later date.

Our 2015-2016 Rotary year is not over. Remember for us to finish strong we must continue to complete all objectives for the year. One area of concern is our donations to The Rotary Foundation. District 5910 Foundation Chair, PDG Roger McCabe sent emails to club presidents this week regarding our shortfall for the year. I encourage each club to dig deep and make your donations before the end of June.

I have closed each cover letter this year with a “did you know” item. I would like to encourage all officers, directors and committee chairs to attend the May 21st District Training Assembly. There is an incredible line-up of presenters. If you have not attended the “Rotary Club Central” presentation by Bunny Pratt it should be a “**must**” to attend. Rotary Club Central is one of the best tools Rotary International has made available to clubs. Once learned, it will make your job easier!

Hope you enjoy the newsletter and have an awesome Rotary month!

### [RI: Council on Legislation](#)

## **RI Council on Legislation Enacts Significant Changes**

RI's Council on Legislation met in Chicago April 10-15 to discuss 181 legislative proposals.

The two most important decisions of the Council will affect every Rotarian in our District:

- (i) The Council allowed Clubs greater flexibility in meetings and membership, and
- (ii) it approved a per capita increase of \$4.00 per year for three years, beginning 2017-18.

Our District's delegate on the Council was PDG Ulli Budelmann. Link below to see the preliminary PowerPoint report presented at the District conference. A more comprehensive report to all Club Presidents, Presidents-Elect, and Secretaries will be sent later in May.

### **FOUNDATION GIVING: Rotary Direct**

Over the past 8 months, Rotarians and friends of Rotary have contributed over \$70.7 million to the Annual Fund globally. In North America, over \$27 million was contributed by the end of February.

Gifts to the Annual Fund help Rotarians change and save lives. Worldwide, 748 million people don't have access to clean drinking water. We've provided clean water to communities in Ghana and Guatemala, decreasing the spread of waterborne disease and improving the lives of people who live in those communities.

As we enter the last months of this Rotary year, consider reaching out to members who have not yet supported the Foundation this year and ask that he/she make a donation.

[Updated Rotary Direct Form now available online](#) -

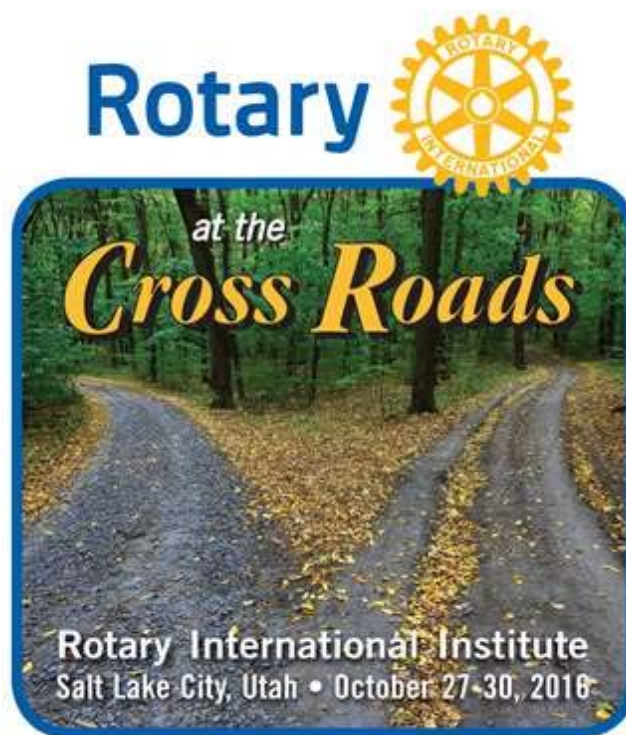

Rotarians who prefer to use their checking account instead of their credit card to support the Foundation on a monthly, quarterly or annual basis can use the updated form to enroll in Rotary Direct. Encouraging donors to enroll in Rotary Direct to support the Foundation helps minimize the work of club and district leadership and allows members to align their charitable goals with their budget.

Share your #RotaryStory - Tell others how your life or your community has been touched by Rotary. Add a photo, video, or a just a few sentences to share your #RotaryStory.

## Books for the World

**Invitation to Assist with Books for the World**

The Dickinson club members worked at the Books for the World warehouse in Pasadena in February with Rotary Club members and Dickinson High School Interact kids.

Rotary Books For The World is an international service project started in 2000 and supported by Houston area Rotary Clubs, Rotaract Clubs, and Interact Clubs. Books for the World is proud to announce the shipment of the 271st 40' shipping container of books (for a total of over 10 million pounds), as well as several containers of school furniture, bicycles, and bicycle parts to Rotarian led literacy projects in 23 different countries.

In a nutshell, books (mainly out-of-adoption school books) are sent to a warehouse in Pasadena to be sorted and palletized\* so they can be sent to various parts of the world to be given to students who have no books or only limited access to them. Interact, Rotaract, and Rotary volunteers gather together for 2 hours one Saturday each month to sort the books in the warehouse. Having done so, you've participated in a recognized international project and have helped to possibly change the life of a destitute child overseas.

Would you & your club like to help with the shipment of the next container?

Please bring a group of your club members, Interactors, Rotractors, friends and family members to help sort and

palletize books on the following dates:

**May 7 and June 11**  
**(These dates are 10 am – Noon);**  
**July 16, August 20, Sep. 17, and Oct. 15**  
**(All these dates are 9 am – 11 am);**  
**Nov. 12 and Dec. 3**  
**(These dates are back to 10 am – Noon)**

This is a non- air-conditioned/non-heated warehouse.  
 Please dress appropriately. The times are adjusted to try  
 to keep our volunteers as cool as possible. You are  
 welcome to bring used books (of any type as long as they  
 are in good condition) to donate to this project.

Where?  
 116 Main St. Pasadena, TX  
 Park on Eagle St. or under Hwy 225  
 Be careful crossing the street and do not leave valuables in  
 your car. The September and October dates will have  
 difficult parking because of youth football at Pasadena High  
 School.

Questions? Terry Ziegler - [bigzlumber@aol.com](mailto:bigzlumber@aol.com) or  
 713-825-1176

We always need more funding to purchase containers and  
 to pay for shipping. Please consider asking your club to  
 donate to this great project or to apply for a District Grant  
 for it. See more at the project website  
[www.rotarybooksfortheworld.org](http://www.rotarybooksfortheworld.org).

If your club has connections through your school district to  
 secure out-of-adoption books to be included and can get  
 them palletized and transported to Houston, the specific  
 instructions are included through the link below.

**DISTRICT NEWS: 2016 Application Process**

**NEW DATE ANNOUNCED!**  
**1 June 2016**  
**Grant Requests for 2016-2017 due**

Please link here to read the Grant Guidelines and

find the form to use to submit a grant request by **1 June 2016** for the 2016-17 year:

### [Grant Guidelines](#)

### [Grant Application Form](#)

It is time to put your District Grant request together! The deadline for submitting your district grant request for 2017-18 is June 1. This is a change from the original deadline of May 15 and gives you more time.

The total DDF available for District Grants is approximately \$60,000. The maximum match from the district is \$3,000, with a minimum of \$1,000, equal to the club contribution.

Announcement of awards and recipient clubs will be made in July.

Final Report forms will be made available through this site and should be filed as soon as your project is completed. Reports will be due May 1, 2017.

There is a Microsoft Word document available on the link above and on the district website for submission of your requests. We are no longer using the ClubRunner Grant module, as it is far from perfect. There is also a pdf document available, but it has issues. If you submit the grant request using the Word document, you will need to have it signed, and then scanned and sent to me.

We will analyze the grant requests, using the club's contribution to the Annual Fund over the past three Rotary years. Since this year is not closed, we will look at year-to-date contributions, but that would be used as a secondary guideline.

I am handling the grant requests and Bobby Chapman, from Beaumont Spindletop, will close out the grants. The deadline for completing your grant and submitting the paperwork to Bobby is May 1, 2017.

This is the first year for Bobby and me as Grant co-chairs, and we are following in the large footprints of Barb Emery. We'll be happy to help wherever we can!

## **Insurance Q & As**

### **Focus on Insurance**

Every club has questions from time-to-time about insurance coverage for officers, special events, or usual activities. Ben Baty, District Insurance Chair will address a different question each month and provide the answer. If you have a specific question, contact Ben at: [benbaty11@gmail.com](mailto:benbaty11@gmail.com)

Q: With summer coming and special holiday celebrations, is our club approved to have pyrotechnics (fireworks)?

A: If there are fireworks (pyrotechnics), there is no coverage for liability furnished by RI, each club will have to purchase the coverage on their own, at their expense.

## **Flood Relief Assistance**

### **Assistance for Deweyville Schools**

Bob Hope students (Interact, Key Club, and Student Council) were on hand at Deweyville HS to help in whatever way they could. These are some great young people!

The very familiar "Green Bus" of Vidor Rotary showed up in Deweyville to provide some replacement books for the classrooms. The teachers were able to browse and select books they needed for their students.

#### **Galveston Holds Anti-Bullying Campaign**

The Rotary Club of Galveston also provided funding for the UTMB Diversity Council to spread the word about anti-bullying. The Four Way Test was slightly modified for the Grand Kids Festival.

The Rotary Club of Galveston believes in diversity and inclusion. Bullying is a form of discrimination. The **truth** is — bullying prohibits:

- **Fairness** to all concerned.
- **Building good will** and **better friendships**.
- **Beneficial** value for all concerned.

We want to promote behavior that embraces and includes others. We want to encourage respect for others' opinions, beliefs, and practices. Only then can we play well together.

### CLUB NEWS: Conroe

#### **Conroe Club Reports News**

Rotarian Foster Madeley died of cancer on Sunday, April 24, 2016. Foster joined the Rotary Club of Conroe on April 1, 1968 and was President of the Rotary Club of Conroe in 1976-77 and 2004-05. His even demeanor and pleasant smile will be missed.

- - - - -

The Rotary Club of Conroe distributed "I LIKE ME!" Books to First Graders in 12 elementary schools in Conroe during the last week in April and the first three weeks in May. This program has historically been very successful with Interact Club members still retaining their books after 10 to 12 years. Steve Muir has headed this Committee for several years. This project has been a successful grant project for several years with the Rotary Club of Conroe. Rotarians load up vehicles to distribute to one to two schools each day. Each school get five to seven boxes of books which are distributed to each of the first grade classes. This is a FUN event for Rotarians with SMILES from the first graders reading their "I LIKE ME!" books in amazement as each book is specially crafted specifically for each child with each student's names, the names of their best friends, their pets, and the activities they love. It is a great motivation for each child to learn to read!
