

Here is information about the mixers. One is a basic agenda, which you can use to guide your planning. The other two are simple flyers. Yours will obviously be different, but these are examples to get you started. I hope you will consider hosting a mixer and doing a service project as a group.

Some of you asked for addresses for a few of the service projects we've done at our mixers. I'm sending the soldier addresses. Remember we also created candy rolls for nursing homes and children's homes, brought socks for homeless men, and made big bags of supplies for young ladies rescued from human trafficking.

Soldier project addresses:

Soldiers' Angels (We haven't supported them, but you can look them up. They mostly choose to receive financial donations.)

2700 NE Loop 410, Suite 310
San Antonio, TX 78217

Support Our Troops (We sent small gift bags with razors, chapstick, hard candy, gum, mints, peanut butter crackers, nuts, etc.)

13617 N. Florida Avenue
Tampa, FL 33613

Operation Care Package (They love to get single serve drink mixes, such as lemonade, etc. We put ten of them in toilet paper tubes and wrapped those in gift wrap. Fun!)

PO BOX 175
120 Jessie Street
Manhattan, IL 60442

You might include a photo of the entire group, along with a sentence about Interact, Rotaract, Rotary, and what you do.
